1.4. The final prize draw will take place on **April 27, 2026**, and the results will be published by **April 30, 2026**.

1.5. All prizes will be credited to the winners’ trading accounts by **May 10, 2026**.

1.6. The total prize pool of the promotion is **1,000,000 USD**.

Of this amount:

- **500,000 USD** will be distributed among participants of the prize draw.
- **500,000 USD** will be distributed among participants of the prize game “Pocket Birthday 2026: Pocket City” depending on the number of coins earned.

1.7. The prize pool is funded exclusively by the Company.

2. Participation Conditions

2.1. All registered clients of the platform may participate in the promotion.

2.2. To participate in the prize draw, the following condition must be met:

- a successful account deposit using any promo code of any property.

*A property is one of the 12 cards representing elements of the Pocket City urban infrastructure.

2.3. To grow coins balance in the prize game “**Pocket Birthday 2026: Pocket City**”, participants must:

- make deposits using the promo codes indicated on the property cards;
- complete the required trading turnover (TT) corresponding to each property;
- achieve titles and unlock districts.

2.4. The trading turnover required for the property mechanics is counted from the start of the promotion (**April 6, 2026, 00:00 UTC+2**), even if the deposit with the promo code is made later.

2.5. Each client is included in the list of participants only once.

2.6. Accounts that violate the platform rules or use unfair methods (duplicates, multiple accounts, etc.) may be excluded from participation without prior notice.

3. Prize Draw

3.1. Condition for participation in the prize draw:

- Clients are included in the prize draw only if they have made a deposit using any promo code of any selected city property.

3.2. Winners of the draw are determined **randomly** by using an internal algorithm (randomizer).

3.3. Draw prizes are randomly distributed among all participants who meet the participation requirements.

3.4. All monetary prizes (coins and other rewards) are credited in **US dollars (USD)**, or the equivalent in the participant's currently selected currency, to the winner's trading account.

3.5. The number of winners and the size of the prizes are determined by the Company and published on the promotion page.

3.6. Prizes are not issued in physical form and cannot be transferred or exchanged.

4.2. After making a deposit using a promo code, the property is unlocked and the participant receives coins for the deposit itself.

4.3. After completing the required trading turnover for the property, additional coins are credited.

4.4. All earned coins are displayed in the participant's total coin balance on the promotion page.

4.5. Each participant is assigned a title, according to which additional coins will be credited to the participant's account before the prize draw begins.

Title	Coins	Properties
Investor	50	up to 3
Mayor	500	from 4 to 6
Magnate	1,000	from 6 to 9
Monopolist	2,000	from 9 to 12

4.6. Additional coins may be earned by participating in activities published on the Company's official social media channels.

4.7. All properties are grouped into three areas (City Center, Financial Center, Golden District). Upon completing an area, the participant receives a guaranteed reward and additional coins.

4.8. Rewards for fully unlocking all properties within an area:

	Coins	Reward	Properties' codes
City Center	250	1 Ultrade for 10 USD	FACTORY, AIRPORT, NEXUS
Financial Center	1,500	5 Ultrades for USD 20	WSTREET, ARENA, TOWER, MPLAZA
Golden Assets	2,500	5 Ultrades for USD 100	CURRENCIES, MINING, INDUSTRY, TECHVALLEY, INDICES

4.9. **1 coin = 1 USD.**

4.10. After the end of the promotion, winners will be determined by random selection.

4.10.1. Winners are selected randomly from all clients who have at least one coin.

4.10.2. After each winner is selected, the amount of their accumulated coins is deducted from the prize pool of 500,000 USD.

4.10.3. The selection of the next winner continues until the total amount of coins of the selected winners reaches or exceeds 500,000 USD.

4.10.4. Once the 500,000 USD prize pool limit is reached, the selection of winners stops.

4.10.5. The number of winners is not fixed and depends on how many coins participants have accumulated.

4.10.6. Each winner receives an amount equal to the number of coins they have accumulated.

4.11. The maximum number of coins that one participant can accumulate is **36,311**.

*May be exceeded by participating in activities published on the Company's official social media channels

4.12. Properties may be unlocked in any order.

4.13. If, at the time of deposit, the required trading turnover for the selected property has already been completed, coins are credited automatically.

4.14. After the promotion ends, all unused coins of clients who are not included in the list of winners will expire.

5. Golden Properties

5.1. Golden cards are unlocked after making a deposit using the promo code of the corresponding property.

5.2. Golden cards count only trading turnover generated with the corresponding asset group.

5.3. The asset group is selected on the trading screen, and all trades made since the start of the promotion are counted:

Currencies, cryptocurrencies, commodities, stocks, indices.

5.4. **Example:** If a participant generates **1,000 USD** in trading turnover with instruments from the **Currencies** group and **1,000 USD** from the **Indices** group, the corresponding amounts are simultaneously counted toward total trading turnover, as well as toward the turnover for currencies and indices.

5.5. Progress can be tracked on the event page "**Pocket Birthday 2026: Pocket City.**"

6. Publication of Results and Completion of the Promotion

6.1. The results of the draw will be published on the Company's official resources by **April 30, 2026**.

6.2. All prizes will be credited to the winners' trading accounts by **May 10, 2026**.

6.3. After all prizes have been credited, the promotion is considered completed.
